## Maryland Employment and Maryland Limited Liability Company Law

For more than 30 years, Data Trace Publishing Company, a Maryland company, has published a robust line of law manuals consisting of state-specific books and national books authored by prominent lawyers from the country's leading firms. These experts who practice in the areas of employment law, limited liability company law, corporate law, estate law, family law, securities law, licensing and technology transactions law, and the Uniform Commercial Code's Article 9, provide the materials and invaluable knowledge to produce the outstanding line of Data Trace legal books and manuals that include customizable eForms and annual supplements.

As a local company, we have the privilege of working closely with the dynamic attorneys who not only represent prestigious Maryland law firms, but also write and continually update our Maryland law manuals. We are honored to have them lead the following seminars:
