British Columbia

Renewal Period: April 1, 2015 - March 31, 2017

In British Columbia doctors of chiropractic must complete a total of 40 hours every 2 years. **At least 6 of these hours must be in Radiology.** A minimum of 28 of the total 40 hours must be through structured credits.

Registrants are responsible for determining and demonstrating the relevance of the learning experience. The CCBC does not pre-approve events and seminars. The CCBC will perform random monitoring. All 40 hours/two years can be completed via distance learning. Each D.C. TRACTS issue is worth 6 continuing education hours. For questions about any D.C. TRACTS courses, please contact Customer Service at 1-800-342-0454.

ATTENTION: The Chiropractic College of British Columbia WILL NOT ACCEPT D.C. Tracts Volume 28-2: Musculoskeletal Ultrasound and Its Applications to satisfy the biannual Radiology requirement. However, the course may be used as general structured credits.
