British Columbia

Approval Period: Renewals due by March 31st of odd years. (Biennial)

In British Columbia doctors of chiropractic must complete a total of 40 hours every 2 years. **At least 6 of these hours must be in Radiology.** A minimum of 28 of the total 40 hours must be through structured credits.

Registrants are responsible for determining and demonstrating the relevance of the learning experience. The CCBC does not pre-approve events and seminars. The CCBC will perform random monitoring. All 40 hours/two years can be completed via distance learning. Each D.C. TRACTS issue is worth 6 continuing education hours. For questions about any D.C. TRACTS courses, please contact Customer Service at 1-800-342-0454.

ATTENTION: The Chiropractic College of British Columbia WILL NOT ACCEPT D.C. Tracts Volume 28-2: Musculoskeletal Ultrasound and Its Applications to satisfy the biennial Radiology requirement. However, the course may be used as general structured credits.

Ontario

Approval Period: Renewals due by June 30th of even years. (Biennial)

In Ontario doctors of chiropractic must complete a total of 40 hours every 2 years.

A minimum of 20 of the total 40 hours must be through structured credits.

Registrants are responsible for determining and demonstrating the relevance of the learning experience. The CCO does not pre-approve events and seminars.

All 40 hours/biennial can be completed via distance learning. Each D.C. TRACTS issue is worth 6 continuing education hours. For questions about any D.C. TRACTS courses, please contact Customer Service at 1-800-342-0454.

Structured activities include:

- attending courses, seminars, workshops, presentations, conferences
- participating in interactive Internet courses, seminars, workshops, conferences, webinars
 - participating in correspondence courses
 - participating in clinical rounds
 - participating in computer assisted learning

Members must participate in a minimum of 20 hours (out of 40) of structured activities over a two-year period
